To Whom So'Ever It May Concern

This is to certify that **TAREQ.M** a student of Bannari Amman Institute of Technology, has successfully completed the Implant Training at our company from 01-10-2024 to 14-10-2024. During this period, he was trained in essential aspects of Special Purpose Machine Manufacturing and Industrial Automation under the guidance of our skilled professionals.

During the training, **TAREQ.M** gained hands-on experience and foundational knowledge in:

Electric panel drawings and layout design

Industrial panel wiring

Basics of PLC programming

Fundamentals of HMI programming

We appreciate **TAREQ.M's** commitment to learning and proactive engagement with tasks and projects, which contributed to their overall skill development in these key areas. We believe that the skills and knowledge acquired during this training will significantly benefit **TAREQ.M** in their future professional endeavours, and we wish [him/her/them] success in all future pursuits. This is to certify that **Mr. TAREQ.M** has undergone in-plant training in our company from 01.10.2024 to 14.10.2024. He is trained in 5S methodology, Cutting Tools, Fixture design, Reverse Engineering & QC Inspection. During this period his character was found satisfactory.
